

How to Apply for UMORFIL[®] Tag

Please check our website (<https://umorfil.com>) and enter the **Supplier Area**, register an account to login.

Select **Fabric Certificate Application** then you can follow the steps for fabric certification on online system, and upload the "Yarn purchase certificate" in the system. Please send the required 1 yard of sample (For garment dye kindly provide final garment product*2) in 3 working days.

Fabric certificate may take 10~12 working days by UMORFIL[®] Lab after receiving the fabric.

If the sample fabric passed the UMORFIL[®] Lab's test, UMORFIL[®] Fabric Certification Team will email the report with **UMORFIL[®] Auth code**.

After get the **UMORFIL[®] Auth code**, the branding customer and the garment maker can apply the tag. They have to enter the **Supplier Area**, register an account to login, select **Tag Application** then they can follow the steps on online system, also need to upload the "Fabric purchase certificate" in the system. Please prepare 1 set of final product for UMORFIL[®] Tag Application Team (UMORFIL[®] Tag Application Team will keep the sample for reference).

***The final product must contains more than 80% UMORFIL[®] fabric**

Tag application may take 5~7 working days after receiving the final garment product for UMORFIL[®] Tag Application Team to make sure the fabric and Auth code are match as well as the quantity of tags are correct.
